

# LIVING YOUR CHRISTIAN LIFE WITH Joy

C. Orville McLeish

**Title:** **COME UP** *Higher*

**Subtitle:** *A Clarion Call for Traditional Churches*

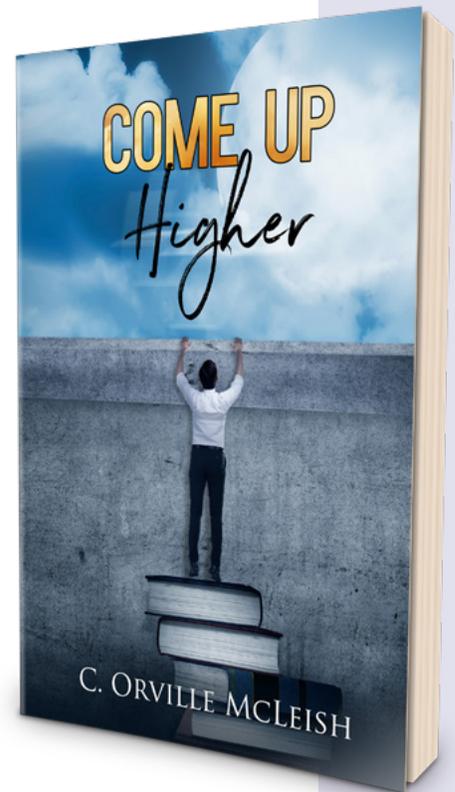

**Author:** C. Orville McLeish

**Category:** Christian Spirituality/Discipleship

**Book Blurb:**

Hebrews Chapter 5 & 6 outlines two basic dimensions of Christianity; the baby stage and the mature stage a.k.a. Coming Into Perfection. At some point in church history, another foundational dimension was established that is not Biblical. It is below the foundational principles of Christ and has stripped Christianity of its true spiritual and mystical nature. The church became activity and program driven, instead of Spirit-led. The contradictions that ensues are fast becoming unbearable and an hindrance to those who know there must be more to the Christian journey than what we are presently experiencing.

As leaders, we must take this call seriously to repair the fundamental foundational doctrine of Christ on which we function as a church, in order to reposition ourselves and the members of our churches to move into manifested sonship that is presently permeating the earth today in preparation for a global expansion of God's glory covering the earth, thereby ushering in the new heaven and the new earth.

# Title: YOU HAVE THE POWER TO CREATE YOUR WORLD

**Subtitle:** *Empowering Today's Youth Series (Book 1)*

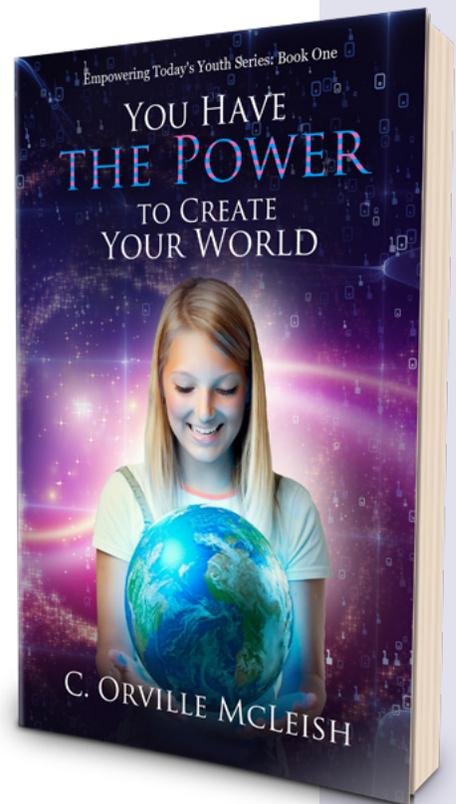

**Author:** C. Orville McLeish

**Category:** Christian Spirituality/Empowerment

## Book Blurb:

This book was written with the future world changers, and agents of change in mind. May you create a better world for you and those who will come after you, than the one we and those before us made for you. You have this potential. There is no human being born into this world who lacks the potential to create the kind of world they want to live in.

You have more power than you realize. This world has suffered long enough from an impending identity crisis. It is time we understood who we are as human beings, and just how much potential we have to effect change. If you learn who you are, and believe, you will become who you were meant to become --- and your world will start to change.

**Title:** **Made in God's Image**

**Subtitle:** *We are Partakers of God's Divine Nature*

**Author:** C. Orville McLeish

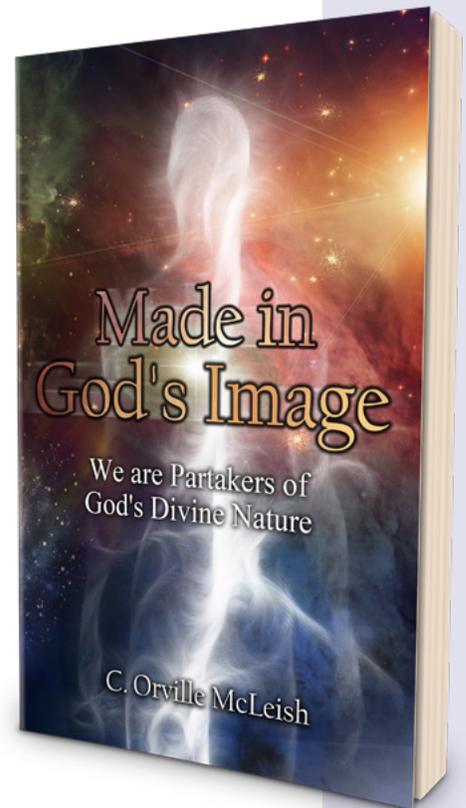

**Category:** Christian Spirituality

**Book Blurb:**

In the beginning, God said, "Let us make man in our image, after our likeness...So God created man in His own image, in the image of God created He him; male and female created He them." (Genesis 1:26-27 – KJV)

Man fell from his original state, which had a negative cosmic effect on all creation. The word 'fell' suggest a descent from our original form, function, structure, and faculty. We could no longer be identified in our original form. The process of faith in Yeshua (Jesus) is to take us back to where we fell from; it's a transmutative, transfigurative process that seeks to complete the full restoration of our body back to its divine essence, allowing it to do all that it was made to do.

Every believer needs to grow into the fullness of Christ until we are fully conformed to His image. We were always meant to become like Yeshua (Jesus) and function in the same capacity. This book is designed to challenge your present perception and paradigm and re-establish a Biblical foundation with an open invitation to whomever will.

This book really opened my mind and made me think.

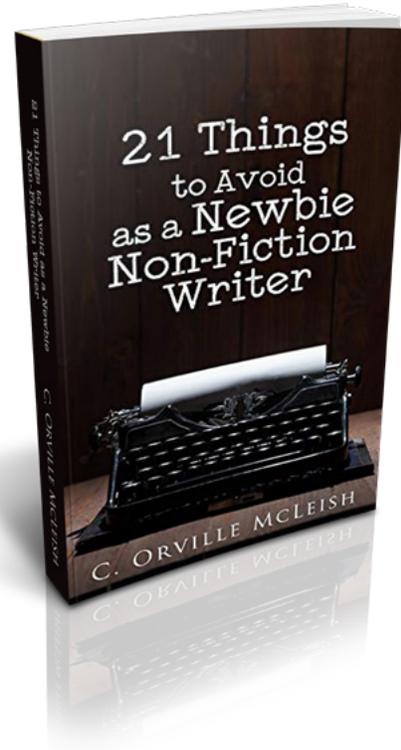

## OTHER BOOKS:

### You Are Not Only Human

Thus far, we have not begun to tap into our human potential. With the upsurge of Christian Mystics in this era, there is a growing revelation of who we really are in God that has a startling resemblance to who Jesus Christ was as a man walking this earth. This phenomenal spiritual awakening of epic proportions is sweeping the globe, with no indication of dissipating anytime soon. It is the emergence of the glorious church prophesied in Ephesians 5, "...without spot or wrinkle or any other blemish." Everyone alive today, including you, has the divine privilege to choose whether to participate in this emergence or remain a slave to religious and institutionalized bondage.

### 21 Things To Avoid As A Newbie Non-Fiction Writer

21 Things to Avoid as a Newbie Non-Fiction Writer is a compiled list with brief descriptions of some of the common things Newbie Writers should avoid to aid in a smooth and more accurate and cost-effective editing process.
